Case No. 2:17-cr-00228-KJD-NJK

**UNOPPOSED MOTION TO EXTEND
SELF-SURRENDER
DATE¹**

16 Defendant Lawrence Patrick Magana, by and through his attorney of record, LaRonda
17 Martin, Assistant Federal Public Defender, moves this Court pursuant to 18 U.S.C. § 3143(a)(1)
18 to extend Mr. Magana's self-surrender date to Friday, August 23, 2024, at noon. This motion is
19 based on the following Memorandum of Points and Authorities.

¹ This motion is timely filed as no deadline is applicable.

1 On January 24, 2024, this Court sentenced Mr. Magana to twelve (12) months and one (1) day
 2 in custody, followed by three years on supervised release.² The Court further ordered Mr.
 3 Magana to self-surrender to the BOP by May 24, 2024 before 12:00 p.m.³ Mr. Magana was
 4 designated to serve his sentence at FMC Lexington.

5 On April 25, 2024, Mr. Magana presented to the emergency department with reports
 6 of severe right upper quadrant abdominal pain.⁴ He is a 66-year-old Caucasian male with
 7 pertinent medical history of A-fib, kidney stones, COPD, chronic kidney disease, and
 8 bradycardia.⁵ Mr. Magana was evaluated by Dr. Kabithe, a general surgeon, and he
 9 diagnosed him with acute cholecystitis.⁶ Because Mr. Magana has a history of strokes and is
 10 on Eliquis, the surgical team had to wait forty-eight (48) hours to perform the surgery.⁷ The
 11 surgery was conducted on April 26, 2024.⁸

12 Mr. Magana is requesting to extend his self-surrender date by 90-days to allow him to
 13 obtain follow-up care and heal from the surgery.

14 Pursuant to 18 U.S.C. § 3143(a)(1):

15 [t]he judicial officer shall order that a person who has been found
 16 guilty of an offense and who is awaiting imposition or execution
 17 of sentence... be detained, unless the judicial officer finds by
 18 clear and convincing evidence that the person is not likely to flee
 19 or pose a danger to the safety of any other person or the
 20 community if released under section 3142(b) or (c).

1 The continued application of any condition of supervision requires an individualized,
2 fact-specific inquiry.⁹ Mr. Magana has been on pre-trial release since October 6, 2017.¹⁰
3 During that time, he has followed his conditions, attended all scheduled court hearings, and
4 maintained good contact with his pre-trial officer. Mr. Magana has significant ties to his
5 community. He resides with his nephew in Kentucky. He is also receiving his medical care in
6 Hopkinsville, Kentucky.

7 For these reasons, the extension of Mr. Magana's self-surrender date will not create a
8 flight risk, pose a risk to the public, or interfere with the goals of 18 U.S.C. §§ 3142 and 3143.

9 Undersigned counsel consulted with the government and pretrial release. The
10 government has no objection to the defense's request to extend Mr. Magana's self-surrender
11 date to ninety (90) days. The Office of Pretrial Release advised that pretrial services
12 supervision was removed in December 2022 due to Mr. Magana's ongoing medical issues and
13 therefore, their office has no position in the matter.

14 Mr. Magana respectfully requests the Court grant his unopposed motion to extend his
15 self-surrender date to Friday, August 23, 2024, at noon.

16 DATED this 2nd day of May, 2024.

17 Respectfully submitted,
